The UX300e is an all electric, compact SUV showcasing the performance of an SUV but with the handling of a hatchback. Featuring a Permanent Magnet Motor powered by a Lithium Ion battery, 13 speaker Mark Levinson Stereo system and 360 degree cameras, the UX300e offers style, comfort and convenience all rolled into one. As part of the Lexus Encore Platinum experience, you will enjoy a myriad of benefits. From a complimentary standard home charger installation to a 3 year complimentary fast charging membership provided by ChargeFox. Also, as part of the Encore Platinum experience, you will have the pleasure of enjoying Lexus On Demand. This gives you the ability to drive a selected Lexus vehicle. Whether you need a bigger car for a family getaway or a sportier car for the weekend, you can borrow one from Lexus. Upon entering the UX300e Sports Luxury, you are met by a beautifully finished black, leather accented interior trim. The UX300e Sports Luxury is loaded with convenience features to make any drive special. Including a 13 speaker Mark Levinson stereo system, 2 zone climate control, selectable driving modes, Heads up Display, electric front row seats, heated and ventilated front row seats, heated steering wheel, memory seat for driver, GPS satellite navigation, smart device integration and wireless charging. The safety features of the UX300e Sports Luxury will put you mind at ease every time you hit the road. Including blind spot sensors, brake assist, 360 degree cameras, collision mitigation, distance controlled cruise control, lane keeping assist, road sign recognition, tyre pressure sensors and road sign recognition to name a few.
