## Dealer Comments

In 2023, Lexus introduced a new model to its prestigious line up, the RZ450e. The RZ450e is an all electric SUV that incorporates the signature Lexus luxury feel. Featuring a Permanent Magnet Synchronous Motor powered by a Lithium Ion battery, Dynamic Cruise control and a 10 speaker stereo, the RZ450e brings together technology and class. As part of the Lexus Encore Platinum experience, you will enjoy a myriad of benefits. From a complimentary standard home charger installation to a 3 year complimentary fast charging membership provided by ChargeFox. Also, as part of the Encore Platinum experience, you will have the pleasure of enjoying Lexus On Demand. This gives you the ability to drive a selected Lexus vehicle. Whether you need a bigger car for a family getaway or a sportier car for the weekend, you can borrow one from Lexus. Upon entering the RZ450e, you are met by a beautifully finished Greyscale interior trim. The RZ450e is loaded with convenience features to make any drive special. Including a 10 speaker stereo system, active noise cancellation, 2 zone climate control, selectable driving modes, electric front row seats, GPS satellite navigation, smart device integration and wireless charging. The safety features of the RZ450e will put you mind at ease every time you hit the road. Including blind spot sensors with safe exit assist, brake assist, 360 degree cameras, collision mitigation, distance controlled cruise control, driver attention detection, lane keeping assist, tyre pressure sensors and road sign recognition to name a few. Coming in at just under 10,000kms, this stunning RZ450e Luxury is available for test drive and immediate delivery. For more information about this vehicle and the Lexus experience, inquire today.
