Dealer Comments

Introducing the impressive 2012 FPV F6 II, a used car that blends power, style, and driving pleasure into one exceptional package. This sleek black sedan is an outstanding example of automotive engineering, designed to deliver an exhilarating driving experience while ensuring comfort and reliability. Under the bonnet, you'll find a potent 4.0-litre, 6-cylinder engine that runs on unleaded petrol. This powerhouse delivers robust performance, making every drive a thrilling adventure. Coupled with a 6-speed semi-automatic transmission, the FPV F6 II offers seamless gear changes and responsive acceleration, providing you with the control and excitement you crave. The rear-wheel drive configuration ensures a dynamic and engaging drive, perfect for those who appreciate the nuances of high-performance handling. Whether you're cruising the open highway or navigating through city streets, the FPV F6 II's rear-wheel drive system enhances your connection to the road, delivering a driving experience that's second to none. Step inside the spacious cabin, and you'll find seating for five, making this sedan an excellent choice for both daily commuting and weekend getaways. The interior is thoughtfully designed, offering comfort and convenience for both the driver and passengers. With four doors, access to the rear seats is effortless, ensuring that everyone can enjoy the ride in comfort. The sleek and timeless black exterior of the FPV F6 II exudes sophistication and class. Its aerodynamic design not only looks stunning but also contributes to the vehicle's overall performance and fuel efficiency. This is a car that makes a statement, whether it's parked in your driveway or cruising down the motorway. As a used vehicle, the 2012 FPV F6 II has a proven track record of reliability and durability. It's been meticulously maintained and is in excellent condition, ready to provide you with years of driving pleasure. In summary, the 2012 FPV F6 II is a remarkable sedan that combines powerful performance, elegant design, and practical features. If you're seeking a vehicle that stands out from the crowd and delivers a truly engaging driving experience, look no further than this exceptional used car. Embrace the thrill of the FPV F6 II and make every journey unforgettable. ----- You can buy with confidence and peace of mind as we are part of the largest family-owned automotive group in Australia.
