## Dealer Comments

The latest generation NX takes a huge step forward with the Lexus design signature both inside and out. A powerful and safety conscious SUV built for comfort and class, the NX350 F Sport is host to many features focused on the Lexus driving signature and the convenience of a luxury SUV. Powered by a small but mighty 2.4L turbocharged 4 cylinder pushing out 205kW of power and 430Nm of torque through an 8 speed automatic transmission to an all wheel drive system. Five selectable drive modes give the ability to adapt the driving experience to the situation, changing the throttle sensitivity, steering characteristics as well as the Adaptive Variable Suspension to enhance the driving experience. This NX350 F Sport features Enhancement Pack 2 offering a panoramic roof, digital rear view mirror, a 17 speaker Mark Levinson premium audio system and a steering wheel heater. Also featured in this beautiful example are electric, heated and ventilated front row seats, GPS satellite navigation, wireless phone charger, Smart device integration for Android Auto and Apple CarPlay and voice recognition to name a few. To put you at ease every time you get in the car, the NX350 F Sport comes equipped with 360 degree cameras, blind spot sensors with safe exit assist, collision mitigation, adaptive cruise control, active lane keeping assist, tyre pressure sensors, rear cross traffic alert and many more. This example comes in at just over 2,000kms and is eager for a new home. Inquire for a test drive and closer inspection today.
