Dealer Comments

The UX200 is a compact crossover with a difference, showcasing the performance of an SUV but with the handling of a hatchback. Featuring an extremely efficient 2.0L 4-cylinder engine, smart device integration and adaptive cruise control, this UX200 offers style, efficiency and comfort all rolled into one. Powered by a 2.0L 4-cylinder engine, the UX200 puts out 126.0 kW of power and 204Nm of torque whilst achieving a combined fuel economy of 5.8L/100km. Coupled with a constantly variable transmission this compact SUV will make for a smooth and efficient drive. Presenting in a stunning White Nova exterior and black trim, this UX200 F-Sport is packed with features to make any drive memorable. Including 2-zone climate control, a 10-speaker premium sound system, memory seats for the driver, Bluetooth and smart device integration, satellite navigation, heated and ventilated front seats, and keyless start to name a few. To put any driver at ease this UX200 F-Sport is loaded with safety features which include a blind spot sensor, brake assist, rear view camera with sensors, collision mitigation, adaptive cruise control, electronic brake force distribution, lane departure warning and lane keeping assist, road sign recognition, tyre pressure sensor and a speed zone reminder. This example comes in at less than 5,000kms and is ready for its new home. Inquire today for a closer inspection and test drive.
