## Dealer Comments

The UX250h is a compact crossover with a difference, showcasing the performance of an SUV but with the handling of a hatchback. Featuring an extremely efficient 2.0L engine with a hybrid parallel system, smart device integration and adaptive cruise control, this UX250h offers style, efficiency and comfort all rolled into one. Keeping fuel economy in mind the UX250h is the perfect city car. Powered by a 2.0L 4-cylinder engine coupled with a hybrid parallel system, the UX250h puts out 107.0 kW of power and 188Nm of torque whilst achieving a combined fuel economy of 4.5L/100km. Presenting in a beautiful Titanium exterior and black trim, the UX250h is packed with features to make any drive memorable. Including 2-zone climate control, an 8-speaker premium sound system, CD and DVD player, Bluetooth and smart device integration, satellite navigation, heated front seats and keyless start to name a few. To put any driver at ease the UX250h is loaded with safety features which include a blind spot sensor, brake assist, rear vision camera, collision mitigation, adaptive cruise control, electronic brake force distribution, lane departure warning and lane keeping assist, road sign recognition, tyre pressure sensor and rear-cross traffic alert. This example comes in at a little over 20,000kms and is looking for its new loving owner. Inquire today for a closer inspection and test drive.
