## Dealer Comments

Since its launch in 1998, the RX has been a pioneer in luxury crossovers, constantly evolving its strength and finesse. With the new generation of RX arriving in 2023 came the RX350h Luxury. Featuring adaptive cruise control, smart device integration and heated electric seats, the RX350h is a perfect blend of luxury and safety. Presented in a stunning Sonic Chrome exterior, the RX350h features an efficient 2.5L 4 cylinder and an electric motor which produces a combined 184kW of power and 239Nm of torque. Paired with a tried and tested Lexus CVT, the RX350h produces a smooth and efficient experience on the road. To accompany the Sonic Chrome exterior, this RX350h Luxury has a beautiful black synthetic leather interior. Other features include GPS Satellite Navigation, heated electric front row seats, a 12 speaker stereo system, a multi function control screen, roof rails, voice recognition, multi zone climate control and selectable driving modes. With safety always at the forefront, the RX350h is loaded with features to always put you at ease when on the road. Including adaptive cruise control, active lane keeping assist, blind spot monitors, collision mitigation, rear view camera with sensors, driver attention detection, rear cross traffic alert and brake assist to name a few. This stunning example presents with less than 15,000kms and is looking for its new home. Inquire today for a closer inspection and test drive.
