Dealer Comments

Experience the Future of Driving: Lexus RZ450e Demonstrator Available Now! Factory Warranty through until April 2029, unlimited kilometres. Travelled just over 2,000kms, this car will suit any new car buyer at a significantly reduced price. With the Lexus Direct4 AWD System, the Lexus RZ450e can torque vector power delivery to any of the wheels that need additional traction. This system provides unparalleled traction in wet weather and delivers a safer driving experience. Why Choose the RZ450e' Cutting-Edge Technology: Enjoy seamless connectivity with a state-of-the-art infotainment system, advanced driver assistance features, and a stunning digital cockpit. Sleek Design: Its bold, aerodynamic lines and luxurious interior make every journey a statement of elegance. Exceptional Range: Drive further with confidence thanks to impressive electric range and rapid charging capabilities. Unmatched Comfort: Indulge in a serene ride with spacious seating and premium materials that elevate your driving experience. The Lexus RX450e is equipped with an array of advanced safety features designed to protect you and enhance your driving experience. Here are the key safety features: Lexus Safety System+ Pre-Collision System: Detects potential collisions with vehicles and pedestrians, providing alerts and automatic braking if necessary. Dynamic Radar Cruise Control: Maintains a safe distance from the vehicle ahead, adjusting speed automatically. Lane Departure Alert with Lane Trace Assist: Warns you if you unintentionally drift out of your lane and can gently steer the vehicle back into position. Additional Safety Features Blind Spot Monitor: Alerts you to vehicles in your blind spots, enhancing lane change safety. Rear Cross-Traffic Alert: Warns you of approaching traffic when reversing from parking spaces. 360-Degree Camera System: Provides a bird's-eye view of your surroundings, making parking and maneuvering easier. Front and Rear Parking Sensors: Detects obstacles while parking and provides audible alerts. Structural Safety Advanced Airbag System: Multiple airbags are strategically placed throughout the cabin for enhanced occupant protection. Vehicle Stability Control (VSC): Helps maintain control during slippery conditions by adjusting engine power and applying brakes to individual wheels. Traction Control System (TCS): Prevents wheel spin during acceleration to maintain grip on slippery surfaces. Additional Technologies Tire Pressure Monitoring System (TPMS): Alerts you when tire pressure is low, helping to prevent blowouts and improve fuel efficiency. Emergency SOS Button: Connects you with emergency services at the push of a button in case of an accident. These features work together to create a secure driving environment, making the Lexus RX450e a safe choice for both you and your passengers. Test Drive Today! Visit our showroom for an exclusive test drive of the Demonstrator Lexus RZ450e. Experience the thrill of electric performance paired with the unparalleled luxury that only Lexus can offer. Lexus: Experience Amazing.

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
