Dealer Comments

The MG3 competes with Hyundai Accent, Mazda2, and Toyota Yaris in light-car class and is the Chinese car companys smallest offering in Australia. The five door hatch just recently improved its standing with a re styled interior and now standard four speed auto transmission. The MG3s 82kW 150Nm 1.5 litre engine is competitively strong and economical, claiming 6.7L 100km fuel economy. the MG3 comes with cruise control, air-conditioning, Bluetooth, Apple CarPlay, an eight-inch colour touch-screen, rear camera, front and rear parking sensors and alloy wheelsThe MG3s exceptional seven-year, unlimited-kilometer warranty could seal many a deal.
