Face Lift 2015 Model

The latest model builds on the Challenger's famous reputation for off-road ability and serious towing power. This new breed also brings incredible refinement and sharp on-road handling. And more. NZ 4WD magazine were so impressed, they gave it Wagon of the Year.

Sporting one of Mitsubishi's advanced engines the 2.5l Common Rail Intercooled Turbo Diesel. This remarkable engine produces the torque for towing, the power to tackle any surface, the smoothness you need around town, real economy and low emissions.

Challenger Exceed truly does take luxury to new heights. Within the spacious interior is everything you'd find in a modern car: Air Cond, 8-speaker sound system with MP3 compatibility, parking sensors, leather seats and seating for up to seven. And that's to name only a few features. The principle is to create a vehicle that can go anywhere and make it an absolute pleasure.

Get the NEW car advantage - NZs best new car warranty and customer care from Aucklands leading dealer - Andrew Simms in Auckland!
