Dealer Comments

*** 213KW OF POWER | PANORAMIC GLASS SUNROOF | 2.0LTR TURBO QUATTRO ***

It might not have the slingshot performance of the RS3, but the Audi S3 is a potent small hatch/sedan/cabrio nonetheless. Its 2.0-litre turbo engine produces a pumped-up 213kW/380Nm enabling it to reach, with the help of quattro all-wheel drive, 100km/h from zero in a neck-snapping 4.8sec " only half a second behind the RS3. The sports suspension, wheels and braking are wound back a little too, although it still sits purposefully lower than standard A3 models on 18-inch alloys. Autonomous emergency braking, automated parking and blind-spot sensors all play a role in the S3's safety credentials, which see it scoring five ANCAP stars.
