## Dealer Comments

Stunning Low mileage Jeep Grand Cherokee Laredo 4x2, MY14 saw the introduction of the 8-speed auto which dramatically improved fuel efficiency compared to the previous 5-speed auto.

Combine the 3.6 litres Pentastar V6 with an 8-speed auto you have a powerful combination that never requires too much work on the throttle this vehicle will cost nicely at 100 KM/H at low revs.

Very tidy inside and out and comes with a service history. This was a pre-loved vehicle on a merely used vehicle it is immaculate...

Inside you get a generous touch screen colour multimedia display that houses a super clear reversing camera, Bluetooth streaming and telephone. Push-button start, rain sensor wipers, dual-zone climate control, cruise control and more.

5 Star ANCAP safety includes 7-airbags made up of driver's knee, dual front, side curtains and side impact.

Stability and traction control keeps you planted firmly on the road even in the most difficult driving circumstances as well as ABS brakes and Electronic Brakeforce distribution help you pull up safely and without issue.

Well kept and immaculate vehicles such as this simply do not last long.

Excellent value.
