## Dealer Comments

Immaculate and very rare November 1998 built, January 1999 complied BMW Z3 M Roadster.

Finished in Dakar Gelb Yellow over Black Leather trim and travelled only 64,400 kilometres.

Arguably one of the finest roadsters made to date and the last of the analog M Division vehicles. The Z3 M featured the M3 engine of the era, wider track, quad exhaust and limited slip differential. Being one of a handful of low mileage Australian delivered vehicles, this vehicle would be a perfect addition to any collection.

This vehicle is supplied with authorised BMW and specialist history, and all manuals.
