This car has had one elderly owner since new and looks like the day it rolled off the production line. Genuine 14,000 kilometres with documented history. It's in truly amazing condition and looks great in this colour combination.

This well maintained vehicle was traded by a private owner and has full service history. These are in short supply, especially with such low kilometres.

Also:

- Alloy wheels with good tyres
- Tinted windows
- Bluetooth phone and music streaming
- Reverse camera
- All books and both keys

We are backed by a major ACT franchise dealer group and offer all the advantages and assurances that brings, but our low overhead, wholesale-direct -to-public approach means you make the savings!

Easy finance available TAP, along with a range of warranty options. Call or enquire now to inspect this vehicle.

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
