### NEW VIP DASH

Full-color display with incredible visibility and a new level of functionality. Bluetooth and smartphone app integration provides music, weather, navigation and more.

### WAKE PACKAGE

Enjoying tow sports from your Sea-Doo has never been easier thanks to three exclusive features including the Retractable Ski Pylon, Ski Mode, and Wakeboard Rack.

### LARGE SWIM PLATFORM

The first watercraft to hang out on the water with the largest swim platform in the industry. Flat, stable and comfortable, it is ideal for re-boarding, lounging, and prepping for tow sports. Create more space by removing the rear seat.

### ST HULL

Whether at high speeds pounding rough offshore waters, at rest hanging out in a cove or you're simply boarding from the side, the wider hull offers industry leading stability thanks to a lower center of gravity and improved hull design.

### DIRECT ACCESS FRONT STORAGE

All your gear is now within arms reach. The industry first direct-access front storage opens by simply raising the handlebar assembly. No standing required. It's the smartest water-resistant storage we've ever built into a watercraft.

### LINQ ATTACHMENT SYSTEM

Exclusive quick-attach system on the swim platform allows for easy installation of storage accessories.

### WAKEBOARD NOT INCLUDED

\* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
