### LARGE SWIM PLATFORM (NEW)

The swim platform is now flatter, stable and comfortable and it is ideal for boarding, lounging and prepping for tow sports.

### FRONT STORAGE (NEW)

The largest storage space in its category\*\* ( 152 L) lets you store plenty of gear.

### REAR CARGO LINQ SYSTEM (NEW)

Extra rear storage is now possible with the secure Quick-Attach LINQ System. It allows to easily snap a fuel caddy, a bag, a cooler and more, to the back of your watercraft using two convenient, integrated attachment points.

### WATERTIGHT PHONE BOX (NEW)

A watertight compartment with integrated USB port allowing your devices, including phones or action cameras, to stay charged and ready to go-snug in an impact absorbing, watertight cradle \*USB Port available as an accessory.

### CLOSED-LOOP COOLING SYSTEM

This technology prevents corrosive saltwater and damaging debris from entering the engine, for increased reliability and peace of mind.

### HANDLEGRIPS WITH PALM REST

Designed and profiled to deliver a much firmer grip with less effort, allowing you greater control and comfort on longer rides, minus the hand fatigue.

### INTELLIGENT THROTTLE CONTROL (iTC)

Choose how you want your power delivered thanks to different riding modes such as Touring, Sport, and ECO - available through your watercraft digital information centre.

Trailers available to suit from \$3,000 incl ORC.

\* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
