Dealer Comments

The Porsche 911 Targa models are the pick of the range in our view and combine the open-top driving experience

of a convertible with the sleek styling and security of a coupe. Indeed it's probably the best-looking and most enjoyable model in the range.

Our 2002 Porsche 911 Carrera 996 MY02 Targa is finished in Lapis Blue metallic with a Black interior and presents in exceptional condition. We have just spent a considerable sum with a noted Porsche specialist to ensure this car is absolutely ready for its next owner, including a service and the IMS bearing upgrade. It comes with all its original books and a documented service history.

We are marque specialists with Australia's largest range of Bentley cars for sale in our showroom in Bayside Melbourne. We offer our customers the following benefits:

- competitive finance to approved purchasers
- interstate transport arranged at attractive rates
- specialist vehicle inspections at our premises
- trade-ins accepted

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
