The All new 2024 Seadoo GTX Explorer Pro 230 is the next level of adventure from a PWC. This platform takes the legendary Fish Pro and optimizes it for the serious Explorer, and adds power! All new features are listed below.

NEW 7inch Garmin touchscreen GPS and Fish Finder using CHIRP sonar

NEW Touring Windshield

NEW LinQ Explorer bag

NEW Rear deck extension with dual LinQ attachment system

NEW LinQ Rack

NEW Explorer Touring seat and Kneepads

NEW Heavy duty front bumper

### EXTENDED REAR PLATFORM

Adds 11.5 inches to the back of the watercraft, more space for boarding and fishing also increases stability when fishing in rough water. This new 2023 platform adds more LinQ attachment points than ever before!

### LINQ EXPLORER BAG

Keep extra gear dry and easily accessible with this 100L (26.4 gallon) bag. This exclusive LinQ compatible accessory is waterproof, functional and portable. It can be stacked on the LinQ plate/LinQ accessories or carried as a backpack.

### TOURING WINDSHIELD

An industry-first that reduces fatigue and noise associated with prolonged wind pressure whilst also protecting against splashing and salt water exposure when riding offshore.

### ST3 HULL

Whether you're at high speeds pounding rough offshore waters, at rest hanging out in a cove or you're boarding from the side, the wider hull offers industry leading stability thanks to a lower center of gravity and improved hull design.
