## Dealer Comments

New tourer coachwork in the style of Barker built by Roger Fry in the 1990s. Entered into numerous events at the

time and rewarded with concours wins, the car has seen less use in recent years. Recommissioned lately, this car would be an ideal choice for someone wishing to participate in rallies such as those organised by the 20 Ghost Club. Exceptionally comfortable with vast accommodation in both rows and with a surprising turn of speed, this grand vintage car makes quite an impression.

Note - the odometer reads in miles. It has undoubtedly been around the clock, maybe several times!

\* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
