Available on a range of great finance options including Hyundai's new CarPlan Guaranteed Future Value product, available with a range of terms and kilometre limits. Our dealership first opened its doors in 1987. Located both near the train station of Leumeah and the M5, we are easily accessible from most South-West Sydney suburbs. With only a short drive from the neighbouring suburbs of Narellan and Camden, as well as newer estates such as Gregory Hills and Oran Park. By nature, our dealership is very community focused. We sponsor many local teams and events such as the St Thomas More fete, as well as being the major local sponsor of the Wests Tigers NRL team. We have also initiated a 'Wheels for Life' program, which sees \$25 from every car sold across the group contributing to the fund used to purchase equipment for our local hospitals. Since the programs launch in 1997, our combined dealership group has been able to provide funds for much-needed hospital equipment to the value of \$1,430,000. We are a multi award-winning dealership- in 2019 we were awarded, for the first time in Hyundai Australia's History, the Inaugural Hyundai Performance Excellence award and additionally we have maintained our Platinum dealer status for 2019. In addition, other awards received within our dealership include: Service Manager of the Year, Sales Manager of the Year, Service Technician of the Year and Stock controller of the Year. So, let our award-winning team not only sell you your new Hyundai but look after you in the future through our award-winning service team. Our consistent commitment to the community, as well as our drive for outstanding customer service, is what has helped our dealership achieve these prestigious titles and secure the National Customer Service award. We host a team of highly experienced sales professionals that can help you find the ideal car you are looking for; whether it be a new, used or demo vehicle. In addition to our sales team, we showcase a highly professional Finance and Insurance department, Aftermarket department, Fleet department and Service and Parts centre- making us your one-stop-shop for all your automotive needs.
