**Phone:** 03 568 0459

## Dealer Comments

The new Outlander HD5/HD7 offers more class-leading features than any other ATV, including horsepower, torque, towing capacity, and storage. Throw in a utility-calibrated suspension, more protection, and 4828-KM maintenance intervals, and the Outlander PRO offers more value than ever.

The new Outlander PRO was built to stick to the job. Rotax engines give it the horsepower to work harder. The new pDrive clutch offers better performance and lower maintenance than any competitor, and the all-new alloy chassis is the stuff of rally champions, made from similar material as the Maverick X3. (50HP)

Speed limiter

Visco-4Lok front differential (button)

27 in. XPS Trail King tires, 6-ply rating with 12 in. aluminum wheels

Premium glovebox with cellphone holder and USB charger

\* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
