Dealer Comments

Australian-delivered XJ-S Cabriolet in Solent Blue and retrimmed in recent years in cream hide. Traded on a top-of-

the-range Bentley, the car comes with a thick swag of receipts from 2008 onwards but unfortunately the original books have been lost. The paintwork is excellent, the trim is lovely but the hood is probably the original and looking somewhat old. It has had a recent service at a marque specialist. It has also had a new entertainment unit fitted in 2017 incorporating a reversing camera.

Offered with a Victorian RWC to local buyers. We have definitely priced the car to sell.

We are marque specialists with Australia's largest range of Bentley cars for sale in our showroom in Bayside Melbourne. We offer our customers the following benefits:

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.
