Dealer Comments

WOW!! This van has so much space... we all agree this style of caravan should be manufactured with a large

dressings room like this back room was intended for when the current owners had it done, with huge potential that this room offers it could be used for a porta-cot or even a dog bed to keep out of the walkways' OHH what about a desk space to work away' the limit is endless!

This is one is sure to impress in person so take a look today!!
