Play like never before. Because pulling off tricks has never been so easy and so much fun.

INTELLIGENT BRAKE AND REVERSE

Exclusive to Sea-Doo, the second generation iBR system lets you stop sooner for greater peace of mind. And offers more control and maneuverability.

STEP WEDGES

The step wedges provide more stability and confidence in different stand-up riding positions. Making it easier to pull off tricks like a pro.

EXTENDED RANGE VARIABLE TRIM SYSTEM

This exclusive Sea-Doo feature lets you exaggerate how high you can raise the nose or how deep you can bury it in the water. Which means pulling off tricks has never been so easy, or fun.

HANDLEBAR WITH ADJUSTABLE RISER

Adjusting the steering lets you customize your experience to your personal riding style. A variety of positions offer you more leverage to easily maneuver the watercraft regardless of the water conditions.

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.

Features and Specifications

Specifications have been sourced from redbook.com.au and are based on manufacturer standard specifications. Actual specifications for this vehicle may differ, please confirm with the seller.
