Dealer Comments

It has been a long time since we had generation one Flying Spur that is as good as this one owner, 31,000 km,

2006 model. Its original owner has just replaced it with a fully-optioned generation three Flying Spur, so this is a great opportunity for a new owner to experience this magnificent and hardly-used Bentley.

Finished in the superb and rarely seen combination of Silver Tempest with Magnolia hide interior and Birdseye Maple veneers.

Factory options include:

Alloy Fuel Filler Cap
Full Length Rear Centre Console (4 Seat Configuration)
Glass Tilt and Slide Sunroof
Power Boot Opening & Closing
TV Tuner to Infotainment System
20" Seven Spoke Alloy Wheels

Offered with its original books and a documented service history from new. The asking price includes a comprehensive 12 month Australia-wide third party warranty.
