Just traded, well looked after bike from a drystock farm, sold and serviced by us from new. Sought after XT model with factory fitted front and rear bullbars, 3500lb winch kit with synthetic rope/fairlead upgrade, guard flares and heated handgrips. Also has aftermarket rear lift springs and near new mud tyres, further enhancing the off road capability these machines are renowned for. Just serviced so ready for work or play.

For any questions or queries donst hesitate to call.
