Van Body Style: The iLoad features a spacious cargo area with sliding side doors and rear barn doors, offering easy access to the cargo space.

Manual Transmission (5-speed): Provides direct control over gear shifts, suitable for maneuvering in urban areas and carrying heavy loads.

2.4i Engine: Equipped with a 2.4-liter petrol engine, offering a balance of power and fuel efficiency for commercial use.

TQ3-V Series II MY16: Denotes the model series and year of manufacture, indicating any updates or improvements made for the 2016 model year.

Payload Capacity (1066kg): Indicates the maximum weight the vehicle can carry in addition to its own weight, suitable for transporting goods and equipment.

Safety Features: Standard safety features may include driver and passenger airbags, Anti-lock Braking System (ABS), Electronic

Stability Control (ESC), and traction control.

Comfort and Convenience Features: Features may include air conditioning, power windows, power-adjustable side mirrors, remote keyless entry, and adjustable driver's seat for driver comfort during long journeys.

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- we are so excited to show you this fine example and look forward to meeting you in person one day soon.
- We are part of one of the largest auto groups in Australia.
- We have dealerships from Rockhampton to Melbourne, and our size and buying power means we are able to save you money.
