= Dewi This was my first time buying a car and it was such a smooth process. Toby was great to deal with, he had extensive knowledge of everything and made sure the car was ready for me within a week, and Raj made the financing process very easy for me to understand and follow through. Mitchell Just completed my biggest car purchase with this team. The staff were friendly and welcoming. They allowed me time to organise finance with a third party. Toby was a legend, assisting me through the entire process from first phone call to first inspection to drive away. Communication was 10/10 and I drove away a very happy man. Hayley Toby thank you for all your help! You made our first car purchase experience easy and smooth sailing!! All the staff are friendly and easy going! We love our car thank you!!!! Brendan the staff are friendly and more than helpful. They went above and beyond to get me the car of my dreams, big thanks to the team Louise Had a great experience with me over the phone purchase! Toby sent me videos and did all he could to assure I would get no surprises when we picked up the car. Would have no issues buying from them again if only it wasn't so far away! Korie I'll keep it simple. If you want to buy a car from a professional organisation? Then look no further. Be sure to ask for Toby. This guy was amazing to deal with and would highly recommend anyone looking for a friendly, honest and professional man seek Toby
