What does GLS mean? The G stands for Gelandewagen or cross-country vehicle. Every Mercedes Benz SUV has this letter, to pay homage to the original G-Class the ground-breaking Mercedes-Benz capable of going anywhere in any condition. The L stands for Leicht, or lightweight. For what the GLS does, it is for light-duty family transportation, even though it has high capabilities of its own. The S stands for Sonderklasse or special class. This is befitting of the GLS-Class personality. It offers the best accommodation and performance for up to seven very special people.

Need we say more, the benchmark by which all others will be measured, Call, Click or Walk in to experience the very best 7 seat available in Australia today.
