Stock #:	522902	VIN:	WF0NXXGCHNLR46786

Dealer: Gateway Motor Group
Address: Cnr Mt Ousley Road & Princes Hwy, Fairy Meadow NSW 2519
Phone: 02 4222 8888

Dealer Comments

Ford Focus ST with factory Sunroof

Blending track-day performance with everyday driving fun, Ford Performance have engineered the 2020 Focus ST hot-hatch with new powertrains, transmissions and technology to make it the most responsive and agile Focus ST driving experience ever.

Power meets refinement

The All-New Focus ST is designed to stand out, inside and out! With exterior styling cues that are unapologetic Ford Performance inspired with an interior designed to match.

Fast and Agile

Ford's famed 2.3-litre EcoBoost turbo engine is the most powerful ever offered for a Focus ST, delivering 206kW of power and 420Nm of torque~ through a choice of six-speed manual with rev-matching or new seven-speed automatic transmission. The sophisticated Continuously Controlled Damping (CCD) system monitors suspension, body, steering and braking inputs every 2 milliseconds to adjust damping responses for outstanding driving dynamics, while the electronic limited-slip differential (eLSD) further enhances cornering and stability.

Comfortable and In Control

The unique Focus ST interior intensifies the sporty atmosphere with an ST-embossed aluminium gear knob and scuff plates. Ford Performance engineers fine-tuned the positioning of the Recaro front seats to complement the in-control feel for the driver. Selectable Drive Modes technology features in the Focus ST for the first time, enabling drivers to adjust the vehicle's character to suit the driving scenario, with a dedicated "Sport" button on the flat-bottomed steering wheel providing direct access to Sport mode.

Functional and Sporty

The Focus ST builds on the premium, sporting Focus silhouette with subtle, functional styling changes and unique alloy wheel designs. Revised upper and lower front grille designs are optimised for increased cooling capability, and bold signature lower wing elements channel air for improved aerodynamic performance. A larger, more steeply angled rear roof spoiler increases downforce, plus a twin exit tailpipe configuration borders the aggressively styled rear diffuser.

Smart technology

The All-New Focus ST is packed with smart technologies to both help protect you and make every journey more enjoyable.

* If the price does not contain the notation that it is "Drive Away No More to Pay", the price may not include additional costs, such as stamp duty and other government charges. Please confirm price and features with the seller of the vehicle.

Features and Specifications

Audio, Visual & Communication

10 Speaker Stereo

Audio - Aux Input USB Socket
