## Dealer Comments

Whether you're driving around town, out on the open road or towing uphill - the MU-X SUV has a 3 litre turbo diesel engine that makes light of the work. Cruise control and electronic transmission make driving easy, and its fuel efficient too at 8.3 litres per 100 km. On more challenging surfaces, Terrain Command lets you switch between 2WD and 4WD while driving up to 100 km/h. And with a 3,000 kg braked tow rating, towing your boat or trailer is no trouble.

The new interior of the MU-X adds luxury with updated leather seats, leather steering wheel and a new touchscreen navigation. An abundance of space combined with smart design and durability makes riding in the Isuzu MU-X SUV a delight for passengers, as well as the driver behind the wheel. It's not just the numerous features that will impress, but also the level of comfort and well thought-out use of space ensuring every moment you spend in your Isuzu MU-X is time well spent.
