## Dealer Comments

The all wheel drive XV is one of Subaru's best-sellers.

Similarly to the Liberty-based Outback, it is a lifted-up, toughened-up version of the Impreza wagon. It's a close match in most dimensions but stands substantially taller, offering 220mm of ground clearance to assist in minor off-road excursions.

All are equipped with Subaru's Lineartronic CVT.

Come and see this incredible car yourself or book a test drive today!
