Dealer Comments

Ask a child to draw a car and they will draw it red!

The highly desirable Ferrari 458 hosts the 4.5L V8 engine, last of the naturally aspirated engines manufactured by Ferrari. The engine has won in excess of 30 international awards, including International Engine of the Year Awards, "Best Performance Engine" and "Best Engine Above 4 Litres", ensuring that The 458 Italia features amazing performance and driving thrills.

Finished in Rosso Corsa, the colour made famous by Ferrari's participation in motor vehicle racing. 419kw at 9,000rpm and 540nm of torque equals 0-100 in 3.4 seconds and as the revs increase, so does the soundtrack of your 4.5L V8. More than performance, drawing on experience from Ferrari's racing, the 458 Italia has unadulterated driving pleasure in all conditions, which can be reflected in manettino settings and various electronic safety systems such as Side Slip Control F1-Trac and E-Diff.
