Dealer Comments

*** ALL NEW TECHNOLOGY | PREMIUM METALLIC PAINT | APPLE & ANDROID CAR PLAY ***

The second generation of Audi's smallest car, the A1 Sportback, is a noticeably bigger, better-performing and more tech-savvy development of the original model. It comes in three grades " 30 TFSI, 35 TFSI and 40 TFSI " with Style, Technik, Premium Plus and S Line package options. Base engine is an 85kW/200Nm 1.0-litre three cylinder followed by a 110kW/250Nm 1.5-litre four-cylinder and a 147kW/320Nm 2.0-litre. 1.0-litre and 2.0-litre engines team with a six-speed dual-clutch gearbox, while the mid-spec 1.5-litre gets a seven-speeder. The Audi A1 not only gets a bigger cabin " boot capacity has gone up by 65 litres to 335 litres and the total seats-down capacity is 1090 litres.
