Dealer Comments

Low kilometre and extremely tidy FG Ford Falcon XT.

Very tough Australian built a car powered by the bulletproof Barra 190KW inline 4.0 litre 6 which runs through a 5-speed sports auto.

Advanced dual overhead cam combine with the cast-iron block engine makes these engines really last with stories of motors doing up to 1 million kilometres.

Fitted with dual front and side-impact airbags as well as ABS brakes, traction control and stability control for safety. The seats are super comfortable making this an ideal car for long journeys with more than enough space to comfortably fit 5 full-sized adults.

Boot space is plentiful large enough for each passenger to have their own bag in the back.

The back row also comfortably fits 3 baby seats along the back row.

Nice genuine Falcons like this are starting to become scarce in this condition particularly.

Just having a fresh service and RWC you could take this piece of Aussie motoring history today.

John Fautley Motors offers a wide and comprehensive range of finance packages to approved customers designed to fit every individual need. The process is quick and painless with competitive interest rates.
